The COVID-19 pandemic did not affect the numbers and statistics in this brochure since they were compiled before the global outbreak. These statistics are expected to change following the pandemic.
It’s true; a state is a place.  
A state is also a way to live.

What we find here is more than  
Books, tests, and grades  
We also find fresh air and blue skies  
Huge trees and mountain views  
A friendly city and a safe environment  
With a sense of community

That’s why we say at CSU  
We’ve found our state.
300+ DAYS OF SUNSHINE
Beautiful weather: Fort Collins enjoys a moderate, four-season climate with 300+ days of sunshine each year.

RANKED BEST PLACES TO LIVE
Low crime rate, clean air and water, and low cost of living make it one of Money magazine’s top choices for American cities.

POPULATION 171,000
More than 30,000 people have moved to Fort Collins in the last 10 years. They’re moving here for a reason.

FORT COLLINS COLORADO, U.S.A.
There’s something about Fort Collins that attracts all of the right elements. The result is a community that blends education and industry, hard work and recreation, tradition and progress. If you’re looking for a college experience with the perfect fusion of culture, opportunity and adventure, Fort Collins is where you’ll find it.

GETTING HERE IS EASY.
Just an hour away from Denver, Fort Collins is the perfect combination of college town atmosphere and big city access. Add a national park, several classic Colorado towns, and, of course, access to the incredible Rocky Mountains, and you’ve put together the perfect college experience.
YOU’RE WELCOME AT COLORADO STATE. IT’S A PLACE FOR PEOPLE DOING GREAT THINGS.

34,166 students
CSU has 26,559 undergraduate students & 7,607 graduate students.

#1
Colorado State earned the distinction of being the first university in the world to achieve a platinum rating for sustainability from the Sustainability Tracking, Assessment & Ranking System.

SENATOR PAUL SIMON AWARD FOR OUTSTANDING CAMPUS INTERNATIONALIZATION
CSU has 3,173 international students from more than 110 countries and 58 international or diversity-related clubs.

19:1 STUDENT-TO-FACULTY RATIO
Faculty are accessible and friendly.

CSU is on the rise and the world is taking note. Our satisfied international students tell the whole story.

#70
PUBLIC UNIVERSITY
(U.S. News and World Review, 2019)

TOP 300 UNIVERSITIES
Colorado State is rated among the top 300 global universities (Academic Ranking of World Universities, 2019)

CSU is a Carnegie Class I research institution with annual research expenditures topping $375 million, placing CSU at the very top of American public research universities.

RECOGNIZED BY
FORBES MAGAZINE
as one of the most entrepreneurial universities
YOUR GATEWAY TO COLORADO STATE

The Office of International Programs is your primary resource center at CSU. We provide immigration documents and advising, as well as a wide range of programs to orient international students to life in the U.S. In addition, we partner with the Fort Collins International Center, a volunteer organization, to welcome students to Fort Collins and foster connections with the local community.

LIVING AT COLORADO STATE

RESIDENCE HALLS

All newly admitted first-year students without previous college experience who are single, under 21, and do not live with their parents are required to stay in our residence halls for their first 2 semesters.

Residential learning communities introduce and integrate academic and social learning. Visit us online to learn more about our residential halls.

APARTMENT LIFE

Colorado State students, postdoctoral fellows, and visiting scholars may choose to live in one of the University’s apartment communities. With one, two and three bedroom units available, apartment life provides community to a diverse mix of residents from around the world.

Apartments fill up quickly, so apply early!

**CHOOSE YOUR MAJOR. CHOOSE YOUR STATE.**

Find what moves you and we’ll help you do the rest. The best start is with the university and program that’s right for you. Looking for the right university? Compare and contrast your options. Graduation rates are mandatory for all students; what’s right for you? We’re in this together.

**WE'RE IN THIS TOGETHER.**

Collaborative for Student Achievement, when it comes to student support. Help you do the rest. The bold text represents each university department. We're in this togethe.
At CSU, you’ll study under professors, collaborate with fellow students, and pursue hands-on experiences that enrich classroom learning. Your major is your path to what comes next.

The Career Center assists students in finding opportunities related to their skills, goals and values, and provides specialized resources and career workshops for international students. These services help students search for and obtain post-graduation placements in the U.S. and abroad.

career.colostate.edu

90% of international graduates say they would choose CSU again.

83% of undergraduates secured employment or continuing education within 6 months of graduation.

94% of CSU graduate students find employment related to their major.

U.S. employers recruit 400 CSU international students for opportunities.

$51,400 is the average salary for CSU undergraduates.

68% of undergraduates had an internship.

Unless otherwise noted, statistics shown are a three-year average.
YOUR INVESTMENT
TUITION AND EXPENSES

A Colorado State University education is an investment in your future, and we believe that CSU provides students with tremendous value. Your expenses don’t just cover classes; they cover an entire college experience that prepares you for your future.

These estimates reflect the cost of attendance for the 2019-2020 academic year.

UNDERGRADUATE

Each year, Colorado State admits students with diverse backgrounds, skills and perspectives. We seek students with unique potential and challenge them to excel together.

Your application is a chance to show us who you are and what you will bring to our community. When we review your application, we consider you as a whole person, not just a test score.

ADMITTED STUDENT STATS*: Data below reflects the middle 50% of freshmen admitted to CSU for Fall 2019.

**3.4–4.0 GPA**

**1100–1300 SAT**

*Weighted GPAs are included in the statistic above. CSU does not consider the writing section of the ACT or SAT in admission decisions. Scores are shown for the redesigned SAT taken after March 2016.

4 Graduate students should address the value they bring to their specific academic program.
5 Three letters required for graduate programs

*These documents have no bearing on your admission decision. Submitting these documents at the time of your application will expedite your immigration processing.

INTO COLORADO STATE UNIVERSITY

Students needing additional English language and academic preparation can attend INTO CSU.

INTO CSU offers fully integrated academic programs that combine language study, academic skills development and university coursework where you will study alongside American peers in a Pathway program in order to transition successfully into a CSU degree program.

• International Year One – All undergraduate majors
• Undergraduate Transfer Program – All undergraduate majors
• Graduate Pathway – Select programs

INTO CSU also offers Academic English, providing English instruction and academic skills preparation for students looking to progress to a CSU degree program or Pathway.

INTO CSU is located on campus and offers additional support to help you adapt to US university life, including:

• Personalized academic, language and cultural support
• Conversation Partners programs to practice English outside the classroom
• Social activities
• Test preparation classes
• Global Village living and learning community where International Year One students are brought together with students from the US and around the world
