Dear Officer,

This letter is to verify that the bearer is entering the U.S. with a current electronically issued I-20 to attend Colorado State University.

On March 26, 2020 SEVP updated its COVID-19 FAQ document to allow DSOs to send scanned versions of physically or electronically signed Forms I-20 to student email addresses listed in SEVIS as follows:

Q. Can DSOs electronically send signed Forms I-20 to students instead of physically mailing the forms?

"A. Yes, due to COVID-19, DSOs may electronically send Forms I-20 to student email addresses listed in SEVIS. In the case of a minor students, the email address may belong to their parent or legal guardian. Schools do not need to request permission from SEVP or report their plans to electronically send Forms I-20 as part of their COVID-19 procedural changes."

In accordance with this SEVP policy, Colorado State University requests your recognition of this electronically issued I-20 for visa issuance and/or admission to the United States.

If you have any further questions, please feel free to contact the CSU International Student and Scholar Services office at 970-491-5917. If after hours, please contact the CSU Police at 970-491-6425 to be connected to a representative from our office.

Sincerely,
