STUDY AT COLORADO STATE.

2022-23

INTERNATIONAL STUDENTS

INTERNATIONAL ENROLLMENT CENTER
COLORADO STATE UNIVERSITY
Colorado State University is a Tier 1 public research institution located near the Rocky Mountains in Fort Collins, Colorado.

CSU features more than 250 undergraduate academic programs, many of which include hands-on research opportunities.

With a safe and welcoming campus, Colorado State University is proud to support international students in their journey to the United States. We hope you will join our community and bring your dreams, talents, and ideas.
FORT COLLINS
COLORADO, U.S.A.

There’s something about Fort Collins that attracts all of the right elements. The result is a community that blends education and industry, hard work and recreation, tradition and progress. If you’re looking for a college experience with the perfect fusion of culture, opportunity and adventure, Fort Collins is where you’ll find it.

300+ DAYS OF SUNSHINE
Beautiful weather: Fort Collins enjoys a moderate, four-season climate with 300+ days of sunshine each year.

RANKED BEST PLACES TO LIVE
Low crime rate, clean air and water, and low cost of living make it one of Money magazine’s top choices for American cities.

POPULATION 174,000
More than 30,000 people have moved to Fort Collins in the last 10 years. They’re moving here for a reason.

GETTING HERE IS EASY.
Just an hour away from Denver, Fort Collins is the perfect combination of college town atmosphere and big city access. Add a national park, several classic Colorado towns, and, of course, access to the incredible Rocky Mountains, and you’ve put together the perfect college experience.
YOU’RE WELCOME AT COLORADO STATE. IT’S A PLACE FOR PEOPLE DOING GREAT THINGS.

32,765 students
CSU has 23,583 undergraduate students & 3,635 graduate students.

#1
Colorado State earned the distinction of being the first university in the world to achieve a platinum rating for sustainability from the Sustainability Tracking, Assessment & Ranking System.

SENATOR PAUL SIMON AWARD FOR OUTSTANDING CAMPUS INTERNATIONALIZATION
CSU has 1,626 international students from more than 100 countries and 58 international or diversity-related clubs.

17:1
STUDENT-TO-FACULTY RATIO
Faculty are accessible and friendly.

YOU'RE WELCOME AT COLORADO STATE. IT'S A PLACE FOR PEOPLE DOING GREAT THINGS.
CSU is on the rise and the world is taking note. Our satisfied international students tell the whole story.

#67 PUBLIC UNIVERSITY
(U.S. News and World Review, 2022)

TOP 300 UNIVERSITIES
Colorado State is rated among the top 300 global universities (Academic Ranking of World Universities, 2019).

CSU is a Carnegie Class I research institution with annual research expenditures topping $447.2 million, placing CSU at the very top of American public research universities.

RECOGNIZED BY FORBES MAGAZINE
as one of the most entrepreneurial universities.
YOUR GATEWAY TO COLORADO STATE

The Office of International Programs is your primary resource center at CSU. We provide immigration documents and advising, as well as a wide range of programs to orient international students to life in the U.S. In addition, we partner with the Fort Collins International Center, a volunteer organization, to welcome students to Fort Collins and foster connections with the local community.

LIVING AT COLORADO STATE

RESIDENCE HALLS

All newly admitted first-year students without previous college experience who are single, under 21, and do not live with their parents are required to stay in our residence halls for their first 2 semesters.

Residential learning communities introduce and integrate academic and social learning. Visit us online to learn more about our residential halls.

APARTMENT LIFE

Colorado State students, postdoctoral fellows, and visiting scholars may choose to live in one of the University’s apartment communities. With one, two and three bedroom units available, apartment life provides community to a diverse mix of residents from around the world.

Apartments fill up quickly, so apply early!

At CSU, you’ll study under professors, collaborate with fellow students, and pursue hands-on experiences that enrich classroom learning. Your major is your path to what comes next.

The Career Center assists students in finding opportunities related to their skills, goals and values, and provides specialized resources and career workshops for international students. These services help students search for and obtain post-graduation placements in the U.S. and abroad. career.colostate.edu

90% of international graduates say they would choose CSU again.

83% of undergraduates secured employment or continuing education within 6 months of graduation.

81% of CSU graduate students find employment related to their major.

OVER 400 U.S. employers recruit CSU international students for employment.

$51,992 is the average salary for CSU undergraduates.

68% of undergraduates had an internship.

Unless otherwise noted, statistics shown are a three year average.
A Colorado State University education is an investment in your future, and we believe that CSU provides students with tremendous value. Your expenses don’t just cover classes; they cover an entire college experience that prepares you for your future.

These estimates reflect the cost of attendance for the 2022-2023 academic year.

### SCHOLARSHIPS AND AID

Our international scholarships range from $2,000 to $12,000 per year. Our scholarship review goes beyond traditional evaluations and looks at more than just your current grades to include your financial situation, need, and abilities to contribute to the CSU community. Students receiving our largest awards have a combination of outstanding grades (GPA), challenging coursework, and demonstrate strong engagement in extracurricular involvement.

- **Scholarship Amounts**: $2,000-$12,000
- **Scholarship Deadlines**:
  - Early Date: 15 Dec.
  - Regular Date: 15 March

*Admitted international students are automatically considered for holistic scholarships. Students typically learn of their scholarship decision within 14 days of receiving an admission decision.

*Scholarships are renewable each year as long as the student maintains good academic standing.

UNDERGRADUATE

Each year, Colorado State admits students with diverse backgrounds, skills and perspectives. We seek students with unique potential and challenge them to excel together.

Your application is a chance to show us who you are and what you will bring to our community. When we review your application, we consider you as a whole person, not just a test score.

ADMITTED STUDENT STATS*: Data below reflects the middle 50% of freshmen admitted to CSU for Fall 2022.

- 3.2–3.9 GPA
- 81-100 TOEFL

* Weighted GPAs are included in the statistic above. CSU does not require the ACT or SAT for admission decisions.

2. $70 fee for graduate applications
3. Graduate students must send GRE/GMAT scores if required by the department.
4. Graduate students should address the value they bring to their specific academic program.
5. Three letters required for graduate programs

*These documents have no bearing on your admission decision. Submitting these documents at the time of your application will expedite your immigration processing.

PROGRAMS FOR LEARNING ACADEMIC AND COMMUNITY ENGLISH (PLACE)

Students needing additional English language and academic preparation can attend one of the PLACE programs found below:

INTENSIVE ENGLISH PROGRAM
An English program for students who wish to enroll at a U.S. institution, but need additional English language support and instruction.

BRIDGE PROGRAMS
An academic program which combines English language coursework with degree-seeking coursework. These programs are intended only for graduate students in select degree seeking programs.

COMMUNITY AND CUSTOMIZED GROUP PROGRAMS
Innovative, customized language and cultural programs that are designed in partnership with specific local and international communities. PLACE is located on campus and offers additional support to help you adapt to U.S. university life, including:

• Personalized academic, language and cultural support
• Conversation Partners programs to practice English outside the classroom
• Social activities
• Test preparation classes
• Global Village living and learning community where International Year One students are brought together
